

LCCC Development XI: Club guidance

The purpose of this document is to provide the Lincolnshire Cricket Club network with clarity as to the purpose of Lincolnshire's Development XI and to engage our network of clubs to ensure a through flow of local talent into this level of performance.

Lincolnshire Development XI

The Lincolnshire County Development XI is designed to act as a stepping stone into National Counties Cricket (formerly known as Minor County Cricket). It forms an important step in the Lincolnshire player pathway, forming the bridge between County Age Group (CAG) cricket and the senior county side, Lincolnshire County Cricket Club 1st XI.

Development XI purpose:

- To provide a variety of playing formats (T20, multi day) for players aspiring to play in senior National Association Cricket.
- To observe players in a 'non club/non CAG' environment.
- To talent ID players who may be late developers and/or who may not have featured in the CAG system.

Player referral:

Players will be referred from the Lincolnshire CAG system by pathway coaches and in addition, Lincolnshire Cricket Clubs are also able to make player referrals. If your club believes it has a player(s) who meet the basic criteria set out below and are capable of performing in a senior performance environment, who are not currently involved in either the CAG system or LCCC senior county system, then please contact

Eddie.Burke@lincscricket.co.uk

Eligibility criteria:

- Play regular cricket for an affiliated club in Lincolnshire
- Preferably aged U25 years of age
- Must be qualified to play cricket for England

To refer a player from your club please complete the basic referral form below and return to eddie.burke@lincscricket.co.uk
