Magnavale Women and Girls Indoor League 2023

This year 16 teams competed across 3 division in our Magnavale Women's Softball Cricket League. All divisions played each other for the chance to be on the top of the division table to make it through to this year's finals day.

Congratulations went to Louth CC, Market Deeping CC and University of Lincoln, who won their respective divisions to compete against each other in the Magnavale Women and Girls Indoor League Final at Little Leisure Centre, Nocton on Saturday 6th April. A marvellous few hours of cricket saw the University of Lincoln beat both clubs to win the title for the first time. Louth beat Market Deeping to secure the runners up spot.

A huge thank you to Jon and Liz from Magnavale coming along to support the teams on the day and to award our medals and trophies. With further support going to the league sponsor, Magnavale. Their support is invaluable in providing more opportunities for women & girls to play cricket in Lincolnshire.

After the University of Lincoln progressed through to the Regional Indoor League Final and become the champions on the day.

Scoring and Umpiring over the winter

Over the winter we provided some online and face to face scoring. We manage to provide 30 Women and Girls across the county to develop their knowledge on scoring paired cricket. We want to continue to support our Female Volunteer Workforce in the best ways we possible can, so if anyone in your club would like to learn more about Scoring and Umpiring or has some idea of what they would like to learn please get in contact so we can start to develop future.

We are looking ahead to the Summer Holidays to be able to offer more Girls Cricket Open days for clubs. Please get in touch with our Women and Girls Officer, Katie, katie.falkner@lincscricket.co.uk if you would like to host one.
